

The screenshot shows the Scratch project editor interface. The browser address bar displays <https://scratch.mit.edu/projects/179895342/#editor>. The project name is 'aaa' by gabizagara (unshared). The stage features a yellow, spiky character named 'Gobo' with a 'suma' variable set to 13. The script area contains the following code blocks:

```
when green flag clicked
  switch costume to gobo-a
  say Hello! for 2 secs
  set a to 0
  set b to 0
  set suma to 0
  ask Introduceți un număr and wait
  change a by answer
  move 20 steps
  ask Introduceți alt număr and wait
  change b by answer
  move 20 steps
  think Hmm... for 2 secs
  change suma by a + b
  switch costume to gobo-c
```
